

MONTEGIARDINO HERRINGBONE

Home / Herringbone, Chevron & Panels / Montegiardino Herringbone

THE
HARDWOOD
FLOOR CO.

PRODUCT DETAILS

Three days resting in our smoke house is enough to effect a change in the surface colour of the Oak. The addition of an off white oil face, and layers of UV Hardwax Oil combine to give Montegiardino that beautiful grey, warm appearance that only nature itself can explain. The colour variation from plank to plank allows this to blend seamlessly with a multitude of styles and looks.

Species: European Oak (Quercus Petraea)
