

TENEBRIS CHEVRON

Home / Herringbone, Chevron & Panels / Tenebris Chevron

THE
HARDWOOD
FLOOR CO.

PRODUCT DETAILS

Falling between light smoked and dark smoked, Tenebris most definitely has a more golden-brown tones than its lighter and darker sisters and brothers. It is designed to fall in the middle and will have flashes of brightness from the bottom end of the light scale, and flashes of brightness from the top end of the dark scale and everything else in the middle. We're not trying to confuse you here but this is the only way to say it.
